A0					

Specifications

1. Current Rating: 1amps
2. Insulation Resistance: 1000 MΩ min.
3. Dielectric withstanding Voltage: AC 500V
4. Contact Resistance: 30 mΩ max.
5. Operating Temperature: -25°C to +85°C
6. Contact Material: Brass
7. Insulation Material: As follows
8. Plated: As follows
